BUILDING THE FUTURE

UNION BAPTIST CHURCH

Use this as a weekly prayer focus as we build the future

March 18

Pray for the work crew this week. Ask for safety as they work and for good weather.

March 25

Intercede this week for the Easter Egg Hunt. Pray for dry weather & that many people from the community will attend. Ask that new families will come and be interested in enrolling their children in the child enrichment center.

April 1

Pray for Mark, the foreman for the construction project that he will see Christian love and hear the gospel during the time that he is involved in this project.

April 8

Praise the Lord for all that has already been accomplished and intercede that the construction will move forward according to schedule. Pray that there won't be any problems or delays.

April 15

Lift up Kathy Stoutt this week as she makes plans for the center. Ask the Lord to grant her strength, health and wisdom. Pray that He will guide every decision she makes.

April 22

Give praise to the Father for the vision He has given us to serve our community. Intercede that each member of our church will respond positively to this project and fully support it through their prayers, giving and other involvement. Petition the Father to grow us spiritually and mature our faith, as we see Him at work as we build this facility and embark on this new ministry.

April 29

Pray for parents in the community to become aware of this new center and to enroll their children. Intercede that God will direct non-Christian families to choose to place their children in our child enrichment center. Pray that all the openings for children will be filled.

Thank the Lord for the opportunities this center will provide for sharing the Good News with children and their families.

May 6

Next Sunday we will be asked to make a commitment as to what we will give financially toward the building of the childcare facility. Spend much time this week asking the Father, "What should I give?" Pray that each of us will be obedient to the answer He gives us and to step out in faith and trust Him to provide the means for us to keep our commitment. Intercede that we will be able to quickly pay off the loan for the building.

May 13

Intercede that the children who are enrolled in this facility will hear about Jesus and learn about His love for them. Pray that seeds of faith will be planted in their lives. Intercede that non-believing families will be reached for Christ through this ministry.

May 20

Petition the Lord to guide decisions as teachers and staff are hired. Pray that everyone employed will have integrity and be above reproach in all areas of life. Intercede that they will show Christian love to each child and their families. Pray for wisdom for serving any children enrolled with special needs. Ask the Father to send qualified teachers with just the right training and experience that will be required.

May 27

Ask God to direct our church as we consider what other services and ministries we can offer to assist families in our community. May our eyes be opened to the challenges and struggles that families are facing and how we can assist them as a body of believers.

June 3

Pray for spiritual protection against attacks of the enemy as the building proceeds and as we serve the community through the child enrichment center. Pray that this ministry will strengthen and encourage families. Intercede that parents will organize their priorities and give their children the time, love and attention they need each day. Pray that God will be glorified through all that is done!
